RE: Application of Total Environmental Solutions, Inc. for Adjustment of
Rates
and Charges for Provision of Water and Sewer Collection
Docket No. 2004-90-W/S, Our File No. 557-10022

Dear Charlie:

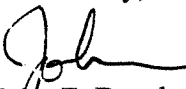

On March 15, 2005, I filed a Motion for the Commission to set a bond in the above-referenced appeal on behalf of Total Environmental Solutions, Inc. ("TESI"). I am writing to request that the South Carolina Public Service Commission (the "Commission") address this Motion at its next meeting, which I understand will be held on August 10, 2005.

In reviewing the Motion, you will see that TESI has suggested an arrangement that we believe fully complies with the Commission's past practices in setting such bonds. By way of clarification, I hereby amend the Motion to add the following: If the Commission disagrees with any of the details of TESI's proposal, we request that the Commission set the bond amount or other related details as the Commission deems fair, equitable, and appropriate.

Please let me know as soon as possible if TESI must take any additional action in order for the Commission to set the details and amount of the bond in this appeal. By copy of this letter, I am hereby serving all parties of record with a copy of these documents and enclose my certificate of service to that effect.

With kind regards, I am

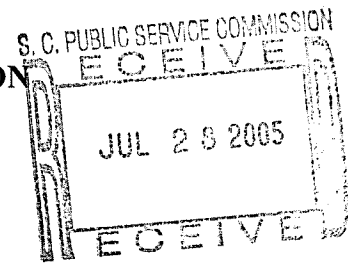

Yours truly,

John F. Beach
